

KULDEEP AHIRWAR

Aspiring Frontend Developer

Indore, Madhya Pradesh • +91-6263708391 • Kuldeepahirwar26@gmail.com • [LinkedIn](#) • [GitHub](#)

PROFILE SUMMARY

Aspiring Frontend Developer with hands-on experience building responsive, user-friendly web interfaces using HTML5, CSS3, and JavaScript (ES6+). Skilled in DOM manipulation, event-driven programming, and translating UI designs into clean, cross-device layouts with Flexbox and CSS Grid. Comfortable working in Git/GitHub-based team workflows. Currently expanding into Full Stack Development with Node.js, Express.js, and MongoDB.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript (ES6+)

JavaScript: DOM Manipulation, Event Handling, ES6 Syntax (let/const, arrow functions, template literals), Array Methods, Fetch API, JSON, Form Validation

Frontend / Layout: Responsive Web Design, Flexbox, CSS Grid, Media Queries, Cross-Browser Compatibility

Tools & Platforms: Git, GitHub, VS Code, MS Word, Excel, PowerPoint

Currently Learning: Node.js, Express.js, MongoDB (Full Stack Development)

INTERNSHIP EXPERIENCE

Frontend Developer Intern | StructronX

May 2025 – July 2025

- Developed responsive web pages using HTML, CSS, and JavaScript, ensuring consistent behavior across desktop, tablet, and mobile devices.
- Used JavaScript for DOM manipulation and event handling to improve interface interactivity and fix frontend bugs.
- Improved website layouts and overall user experience through iterative UI refinement.
- Collaborated with the development team using Git and GitHub for version control and code review.
- Applied frontend development best practices while working on real-world production tasks.

TECHNICAL PROJECTS

Hospital Management System | B.Tech Final Year Project

- Built a responsive Hospital Management System to simplify patient and hospital administration workflows.
- Designed user-friendly interfaces for Patient Registration, Doctor Management, Appointment Booking, and Billing.
- Implemented responsive layouts using HTML, CSS, Flexbox, and CSS Grid across screen sizes with Media Queries.
- Used JavaScript for interactive forms, input validation, and dynamic UI behavior to improve usability.
- Delivered clean navigation and a consistent UI design system across all modules.

Online Interview Preparation Web Portal | B.Tech Third Year Project

- Developed a responsive web portal to help students prepare for technical interviews through quizzes.
- Designed Login, Registration, Quiz, Dashboard, and Score pages with a clean, intuitive interface.
- Used JavaScript to handle quiz logic, score calculation, and real-time UI updates.
- Implemented responsive layouts using Flexbox and CSS Grid, tested across multiple screen sizes.
- Enhanced user experience through interactive UI components and smooth page navigation.

EDUCATION

B.Tech, IGEC Sagar

CGPA: 6.2 | 2026

Higher Secondary (12th), MPBSE, Bhopal

63% | 2022

High School (10th), MPBSE, Bhopal

74% | 2020

STRENGTHS

- Quick Learner
- Problem Solving
- Team Collaboration
